# From the Shoe Box

Greetings my fellow Federation Sisters and Happy International Women's Friendship Month.

My how has the time has flown since we were together in May and then again in July. I hope those of you who were able to attend our Summer Workshop have taken all the ideas you gained and have sorted them to your different Clubwomen to make plans for this upcoming year. I know I have. I get excited just thinking about what my own club will be doing.

I will have lots of information to give you at our District Meetings. I am so looking forward to our time together as I will walk with confidence throughout the Commonwealth. I am confident together we will all learn something together along with a laugh or two.

I had the pleasure of representing you at the August GFWC Board of Director's meeting in Washington D.C. We had a wonderful session at the State Department along with information that in some ways was very heartbreaking. Watch for more information regarding human trafficking, especially young girls. It is happening under our noses and in our towns. Something we must stop. Following that we toured our Nation's Capital followed by the Library of Congress. We heard many updates from GFWC Chairmen regarding plans of work being done by them and many of our clubs. We ended Saturday evening with a St. Jude's Fundraiser where over \$2000 was collected by our clubwomen in attendance. Food, fun, games, prizes all were there.

I hope you are making plans to join me and others from Kentucky at the 2016 Southeastern Regional Conference (SER) at the Greenbrier, November 3-5. I am excited! Hopefully you will have the call in your hands by the time you receive the magazine. Tours are on your own on Thursday and the meeting begins at 1:30 p.m. EST on Friday, November 4. Friday Fun Night will be Bowling at the Brier! Not sure what that will entail but I'm sure it will be fun.

As you are making plans, please remember to mark down, Nov. 2-5, 2017, as Kentucky will host our friends from SER. We will be in Northern Kentucky at the Airport Marriott. More to come but we need you to help us host our Federation Sisters from Maryland, D.C. Virginia, West Virginia, North Carolina and Tennessee. It will be lots of fun and lots of work. And mark done April 17 - 21, 2017 as GFWC Kentucky Storms Washington D.C. This magazine has more information on the trip and the sites. You can't go wrong on this trip. The deadline for the \$100 deposit is November 1. We will have additional information for you at the District meetings. One of the highlights will be visiting our GFWC Headquarters.

As I mentioned, September is International Women's Friendship Month. Spend a few minutes this month and think about your friends, at home, in another state or another country. What is it about your friendship with this important woman or girl that makes her friendship important to your life? What is your friendship all about? Does she make you laugh or warms your heart? YOU are my friends and I could not do what I do for GFWC Kentucky without you.

Continue to walk with confidence my friends,

Susette

GFWC Board of Directors

Hello GFWC Kentucky!

First I would like to give a very big welcome to the newly formed GFWC Kentucky Benton Junioresettes. I am so excited for this group of young women and look forward to what they will achieve.

I want to share some information to all clubs about starting a Junioresette Club in your area. What makes a Junioresette Club a club...if you have four members, you have a club that can start! Keep in mind, those four will recruit more members and hopefully the membership will keep going up.

Junioresette clubs are sponsored by a Woman's Club, Junior Woman's Club, or their districts or State Federations. It is recommended that a Junioresette club not be organized unless there is a regular GFWC advisor from a Woman's Club or Junior Woman's Club assigned to it. For further guidelines on organizing a GFWC Junioresette club, please refer to the GFWC Junioresette Handbook at [www.gfwc.org](http://www.gfwc.org) or contact me at any time for questions or concerns.

Junioresette Clubs, are composed of young women in junior or senior high school with an age range from 12 to 18 years. These clubs can be grades 6-12 or if you want to separate them you can do 6-8 for Middle School and 9-12 for High School. Junioresettes may have voting privileges at the GFWC Annual Convention, are eligible for awards, and have reporting responsibilities, just like Woman's Clubs and Junior Woman's Clubs. These members can set their club dues to anything above \$10.00; they pay \$10.00 per year in dues to GFWC anything above that would be funds for the club.

Other possibilities would be a Single Issues or Cyber Club. The Single Issues club can choose to focus on one of the Community Service Programs or Signature Projects. They are active membership clubs with appropriate voting privileges. The Cyber Club could work for the tech savvy middle and high school students who are busy with school activities; however they can "attend" meetings conducted through email, Facebook, Twitter, or other social media outlets that all members agree upon. Cyber clubs are active membership clubs with appropriate voting privileges.

This is a great opportunity for young women to grow into great leaders. They can participate in meaningful volunteer community service, have wonderful new friendships and networking opportunities around the state and country. It will also give them access to and support from leadership at all levels of Federation and the prestige of belonging to one of the world's oldest and largest service organizations.

Thank you,  
Preshus Howard

Thanks to Berea Tourism, Berea has new signs everywhere. Two of the new signs has GFWC posted with other civic organizations in Berea. This sign was submitted by The Younger Woman's Club of Berea. They are available at the GFWC marketplace.

# WHAT IS THE JENNIE AWARD? WHO IS JENNIE?

**Jane Cunningham Croley was a founder of GFWC** and a journalist, when there were very few women in the field. As a journalist, she attempted to attend a dinner for Charles Dickens at an all-male press club. She was turned down, so she formed a woman's club, Sorosis, which later became a foundation club for GFWC.

**So this award is for someone who**

- **Is ahead of her time**
- **Thinks about what is best for her community**
- **Is not afraid to look for fixes for problems**
- **Someone you can point to as a leader and pace-setter**

Honor one of your special leaders for this award.

More award information and documents are on the GFWC website.

**NOTE: Our state deadline is earlier – February 1,**  
so the state President has time to judge and  
the nominees can be recognized at the State Convention.

## SCORE CARD CHANGES!

After the discussion held during the Saturday morning session of the Summer Workshop, the Executive Committee revisited the scorecard and have had a change regarding the purchasing of a brick during the second year.

A brick must be purchased by a Club during 2016 for the KY Spirit Walk. For the second year, 2017, a Club must purchase five (5) individual copies of the new KY Cookbook. Participation and/or donation to JDRF must be made each year.

A new scorecard is available on the website, will be available at the Fall District meetings along with copied from the newsletter and/or GFWC KY Clubwoman magazine.

The Executive Committee appreciates your concern regarding this and appreciate your comments.
