## 2020-2022 President's Farewell

Dear Ladies of GFWC Kentucky,

I have heard it said "all good things must come to an end" and so it is with GFWC Kentucky 2020-2022 administration.

Prior to March 29, I had a vision of visiting all the clubs in GFWC KY, entertaining at our headquarters and providing a way to "reach for the stars through reading" for young children and older adults. BUT Covid had a different idea. In spite of Covid, GFWC Kentucky persevered during the past 2 years by conducting in person:

- ★ "Christmas in July" summer workshop, had a remarkable attendance considering requirements to wear masks and practice social distancing.
- ★ 2020 District fall conferences were in-person all but one and even at that that conference was conducted via Zoom
- ★ 2021 State convention was a wonderful experience. Our special guest was International President Marian St. Claire. It was great seeing everyone even if we were wearing masks.

Continued on page 2

## Arrow Talk with President Susette Redwine

Happy New Administration! WOW! Two years to get ready and now it's here. We have much in store for the next two years and it will fly by. Hold on to your hat as we work together to provide hospitality for our GFWC Federation Sisters from the Southeast Region as they join us in October of this year in Lexington and our GFWC Federation Sisters for all 50 state and seven counties for the International Convention, June 2023 in Louisville.

By now many have heard that my symbol is the arrow with the tag line, "Moving Forward." My thoughts were when I selected the symbol is that an arrow never will go backwards. An arrow only goes forward. It may go up, down or sideways, but it never goes backwards. We have to move forward and think forwardly. At the Sunday morning Board of Directors, if you said the word Covid or pandemic, you had to contribute to the "swear" jar.

Continued on page 2

Moving Forward

## 2020-2022 Farewell continued from page 1

- ★ 2021 District fall conferences repeated the 2020 conferences to the nines
- ★ 2022 and final state convention. This convention was the full of fun, wonderful speakers and a great installation with a final farewell by me your GFWC KY 2020-2022 State President.

During the past 2 years GFWC Kentucky completed 2517 Projects and 134,171 volunteer hours. You should be very proud of your accomplishments!

I have enjoyed traveling and seeing the wonderful points of interest in different parts of Kentucky along with attending GFWC Kentucky club meetings and district fall conferences.

Representing GFWC Kentucky at SER and GFWC International convention was an honor.

I want to thank everyone from GFWC Kentucky for all your cards, text messages, phone calls, thoughts and prayers during my husband Tony's different health issues.

A huge and warm THANK YOU for all the hospitality and support I received from GFWC Kentucky Clubwomen during the past 2 years.

In closing, Remember to watch for lightning bugs they represent Hope. And always "Wish Big, Dream Often, Be a Shining Star".

Sincerely,

★ Teresa Schmidt ★

## Arrow Talk Continued from page 1

Well, so to speak, WE have to think this way. It doesn't matter what has happened in the past two years, it only matters what is going to happen in the next two year.

Our incoming International President, Deb Strahanoski will be using a diamond and "Facets of Leadership" as her tag. She will be asking us to use power words that are on each facet of the diamond. Thinking on how to use the diamond, I looked into different gemstones and found qualities that fit each of our State Officers. Thus, you will see throughout this administration gemstones and arrows.

I am excited to see what is in the future for us. I want you to utilize the newsletter with club information, activities, upcoming events, and review of events. The chairman will be sharing with you throughout the year information from GFWC and the state. Our next deadline for the newsletter is July 1. You can submit information anytime to our editor, Cheryl Harrington ([cheryl410@twc.com](mailto:cheryl410@twc.com)).

Ladies, let's move forward. Let's be an example to other states as to what success can look like. I promise I will work hard for you; all the state officers will. We will see you at the Summer Workshop, July 22-23 at the Griffin Gate Marriott in Lexington as we "Flock Together." See you then!

Susette Redwine, 2022-2024 President

## GFWC Kentucky 2021 Outstanding Clubwoman Award

GFWC Kentucky 2021 Outstanding Clubwoman Award nominee's leadership is the sole reason her club has received multiple awards for service to her local community, the state of Kentucky and Internationally. This nominee is kind and welcoming to all club members, prospective members and anyone in which she interacts in her community. This nominee is dedicated to serving the less fortunate in her community. These are just a few of this nominee's characteristics and commitments to her club and community. She is a member of Prestonsburg Woman's Club. It is my great pleasure to present the 2021 Outstanding Clubwoman Award to Sabra Jacobs.

### Outstanding:

distinguished,  
exceptionally  
good, striking,  
amazing, terrific,  
remarkable

## GFWC Kentucky Outstanding Junior Clubwoman Award

Brooke Strong is an eleven-year member of the GFWC Kentucky Barbourville Junior Woman's Study Club. She has become a very active club member, leader, and has served in several chairman and officer positions in various areas for our club. Brooke served as Secretary, First Vice-President, and now as our Club President. She has served as chair for our GFWC Juniors' Special Program and Membership. Brooke also assisted our Treasurer with purchasing for the Daniel Boone Festival Royalty Coronation. She has attended all local meetings as well as a great number of district and state. Brooke is always encouraging our clubwomen to become more active in club events and to give their all. She is invaluable to our club and its activities and has been a great leader through the pandemic. Brooke resides in Barbourville with her husband Brad.

Congratulations Brooke on being named the GFWC Kentucky Outstanding Junior Clubwoman!

## GFWC Kentucky Outstanding Junior Club

The GFWC Kentucky Barbourville Junior Woman's Study Club undertook numerous outstanding projects in 2021. We began the year with meetings and getting prepared for our upcoming winter/spring events. In February we do a push for literacy and this year our members took to social media reading Dr. Seuss books for local P-12 Classrooms. March brings about our student art contest as we had 90+ entries last year in celebration of National Student Art Month. April brings many activities including Child Abuse Awareness PSAs, activities such as our many pinwheel gardens, and workshops attended by club members. We also advocated for National Donate Life Month during April and promoted Organ Donor Registry.

Club members stay busy in May by working with our local Relay for Life. We sale and setup luminaries during the event as well as several members walking to honor survivors and the memory of those that have passed. Even though we do not have regular meetings in June, we do not rest! June brings about picnics, cleanups and sprucing up of our local women's shelter, playground equipment and our department of community-based services. In July we begin our meetings back with our executive committee meeting first and then our first regular club meeting begins!

August and September brought about preparation for our only regular fundraiser of the year – the Daniel Boone Festival Royalty Coronation and other activities! In 2021, BJWSC hosted two Coronations which was double the work and fun for our members. We distribute applications; have a candidate drive-thru picnic, a queen's tea, the coronation and crowning of our royalty, decoration of floats and windows for display of the candidates, and the grand finale, a parade! October finished the activities of the Daniel Boone week and began our preparation for breast cancer awareness! Club women wore pink several times a month along with advocating for Breast Cancer Awareness Research.

November is our time to celebrate Children's Book Week with free books to students as well as celebrate our veterans with a program, cards and more! We also promoted National Donor Sabbath during the month of November while also

promoting safety during the upcoming holiday season.

Finally, December is our time to celebrate our good fortune! We shop and wrap gifts for the local children in foster care. Then, to celebrate our successes, we have our annual Christmas party where we laugh, eat and...collect reports to prepare for mailing in January. Then we start all over again. The life of a clubwoman serving her community is never ending and we love every moment of it!

## Ossoli Club of Corbin Celebrates

The Ossoli Club of Corbin celebrates its Founders Day each February. At a recent meeting, they celebrated both their 84<sup>th</sup> year as a club and also June Martin's 50 year membership in the club. June received a 50 year pin and a certificate documenting this milestone from President Diane Mitchell.

June Martin has been a blessing for the Ossoli Club of Corbin. She learned to love May Day Festival (OCC's major fundraiser since 1944) when she was in grade school and made the trip from East Ward School to Edwards Gym many times in early May to dance in the event. Then in 1957, she earned a seat in the Royal Court as an attendant to the May Queen. June had OCC running through her veins even before she joined the club in 1972.

She has served the OCC in many ways including being elected as the club's President three times. She has been May Day Chair numerous times as well as active in decorating and producing almost 50 May Day programs.

The motto of the Ossoli Club, "Get

Together, Stick Together and Pull Together" was chosen by its founders in 1938, and club members have "Pulled Together" during 84 years for a variety of causes, such as, walking door to door to get a petition signed for a tax to provide funding for adequate libraries in Corbin and Whitley County, providing funding for attractive and useful community rooms in Corbin's Library, promoting awareness of the need for a new hospital in the early 1950's and beginning the needed funding for that project, and providing needed funds for Corbin's schools. Recently, the May Day funds have helped to preserve the Carnegie Library in Corbin, supply classroom needs, and Christmas food and toy programs, among other worthwhile causes.

For 50 years, June Martin has "gotten together" with other OCC members to do the work of the club; she has "stuck together" with club members; and she is still "pulling together" with members to keep our club strong for the future needs of our community and world.

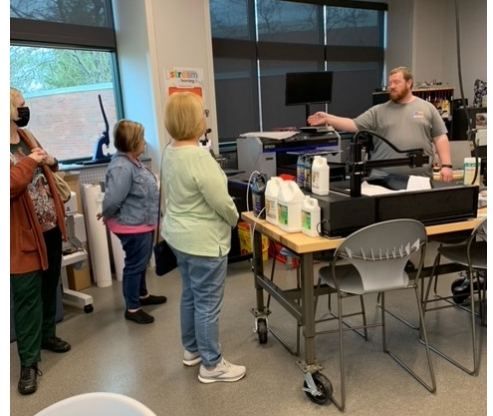

## Bettie Carter Morgan Woman's Club

In celebration of National Reading Month, the Bettie Carter Morgan Woman's Club held their March meeting at the Erlanger Branch of the Kenton County Library. In the 1940's and 50's, the club had been helpful in the founding of the Erlanger Library. But this visit introduced them to something more than books.

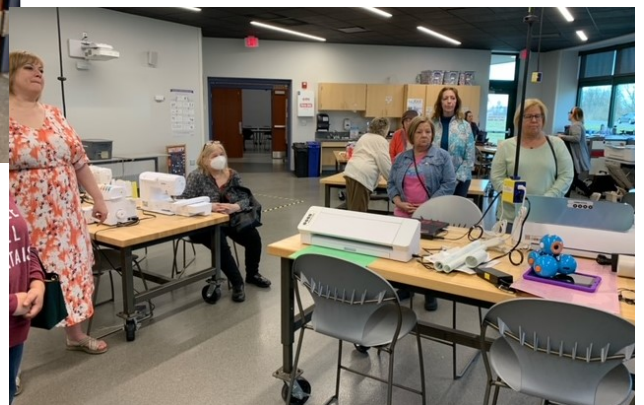

They had the opportunity to tour the library's STREAM (Science, Technology, Reading, Engineering, Arts and Math) facility where they learned about equipment the public is invited to use. Everything from lasers to 3-D printers to embroidery machines are available to library patrons. Club members were invited to decide which piece of equipment they were most interested in using and make appointments for personal tutorials. One member vowed to return to use the T-shirt printer to create shirts for an upcoming trip. Another left a VHS tape to be transferred to a handier form.

All the members left with a greater appreciation of what they can learn at their public library.

## Meet Your New Shining Officers 2022-2024

### Countess of the Diamond Arrow, President Susette Redwine

Susette has been a member of the Morehead Woman's Club for 32 years. She has served as all the officers of her club and in many chairmen positions. She has been a chairman for KFWC and in 2006 started up the chain of GFWC Kentucky Officer positions with being State President for the 2016-2018 Administration. Why not do it again? She has served on the SER Board of Directors and on the GFWC Board of Directors. One of her best experiences as a clubwoman was the first Shop-n-Share event under the direction of Kentucky's First Lady Mrs. Jane Beshear. That was the year all items were brought to the rotunda of the Capitol and distributed to all the domestic violence shelters from there. She brought her daughter, Deveney, with her and the Governor gave Deveney an excuse for missing school the day the distribution happened. That was also the day she got to know our Immediate Past President Teresa Schmidt and the bond between Teresa and Deveney took place. To Teresa, Deveney will always be "soup girl." Purples and lavenders are her favorite colors. Her favorite tv show is probably "Blue Bloods." As far as movies, "The Sound of Music" and "Mary Poppins" are her favorites. If she could meet a historical figure, past or present, she would want to meet Diana Ross. When the Supremes first hit the radio, she wanted to be Diana. She would want to know from her what it was like in the early days of Motown, want to know about her hair, clothes, and touring.

### Lady of the Emerald Arrow, Kaylan Turner

Kaylan grew up watching her mother and grandmother being clubwomen. So, there was no doubt that she would one day be a clubwoman. Upon her move to Lexington, she joined the Bluegrass Juniors Club seven years ago. Since that time, she has held all the positions the club has to offer. She felt by joining this would allow her to learn more about the Lexington area, give back to the community and of course, instant friends. All have been true. She has wonderful memories of club activities and the relationships she has built within the club. One of her best experiences is when she served as Membership Chair for the club, and they gained 10 new members. Kaylan is a fan of "Downton Abby" and "The Crown." Her favorite movie is "Laura," from 1944. She would love to meet Ballerina Marie Taglioni from the Romantic Era of Ballet. She appeared in her favorite ballet, "La Sylphide." Her favorite color would be blue but green runs a close second.

### Lady-in-Waiting with an Aquamarine Arrow, President-Elect Amy Mason

While living in San Diego, Amy started her work in non-profit work. She had a dear friend that was the Director at the Alliance of African Assistance. She volunteered one day a week while there. She moved back to Kentucky and immediately met Paula Robinson. Amy's two daughter's and Paula's daughter were all in the same school. Paula asked her to come to a meeting and she instantly knew this was for her. She joined the Benton Woman's Club ten years ago in March and by the next August, she was the Arts Chairman. She is excited that the club is bringing back it's Tour of Homes after a ten year absence and will be celebrating the club's 100th Anniversary. Besides club positions, she was selected Outstanding Clubwoman by her club and by GFWC Kentucky; is a LEADS graduate; was awarded Outstanding Vice Governor and Governor by GFWC Kentucky. She loves attending all the state, regional and international meetings, and members from all over. Her favorite television shows are "This Is Us; Chicago PD;" and "Criminal Minds." Her favorite color is green with blue being a close, close, close second. If she could sit and visit with any historical figure, she has many. Her first one is Jane Cunningham Croly. She thinks it would be an honor just to meet her. She thinks Cleopatra would be entertaining; would want to watch VanGogh paint; would love to talk to Rosa Parks and fly with Amelia Earhart.

### Lady of the Amethysts Arrow, First Vice President, Bridget Murphy

Bridget is a pink loving lady who adores the "Golden Girls" television show along with "Reba." You can also find her frequently sitting at the sewing machine or volunteering at the local hospital gift shop. She is a 30-year member of the Morgan County Woman's Club and has a dual membership with a club in Cincinnati. She was asked by a coworker to join the club. One of her best experiences of being a clubwoman is chairing the local Distinguished Young Woman Program for Morgan County. She enjoys watching these high school junior blossom into young women. They truly turn from sometimes shy, quite girls to young women with confidence. She too has served her club in many capacities and at the state level has been a big help to many Past Presidents. If she could meet someone from her past, it would be her parental grandparents. Her grandfather passed away before she was born, and her grandmother passed when she was 6 months old. She has been told story after story about how wonderful they both were. People who knew them, talk highly of them. If you want to watch a movie with her, it would be the 1952 version of "The Greatest Show on Earth."

### Lady of the Citrine Arrow, Second Vice President, Judy Lester

Judy joined the Pikeville Woman's Club when Alice Kendrick was the Club President. She thinks that was 14 years ago but then it was probably longer than that. She has been club president a number of times including just passing the gavel to the new club president the weekend after Convention. She has served as the 7th District's Vice Governor in the past. Her favorite color is pink. Judy also says she enjoys watching "Family Feud" with Steve Harvey. She also says not to judge her because of it but she likes to laugh. She has grandchildren who she follows in school sports and doesn't cook, ever. If she could meet someone from history, it would be Jackie Kennedy. She is fascinated by her and her strength. She would want to ask her how she endured tragedy, upsets, deaths, unfaithfulness yet was also remained strong.

### Lady of the Garnet Arrow, Secretary, Susan Harley

The National Park System is of great interest to Susan. She would love to meet Teddy Roosevelt and thank him for his vision of preservation of sites. She would ask him about the challenges he faced in getting the park system established. Maybe this is why her favorite colors are green and turquoise. When Susan moved to Jackson, Kentucky, she needed a way to get involved in the community and meet people. She had grown up with community service and volunteering as a family value. That was when she was introduced to the Jackson Woman's Club. She has been a member for 16 years and currently serves as Club Treasurer. At the state level, her most recent position was of Second Vice President before becoming Secretary. She is always up to watch a good musical and currently enjoys the television show "This is Us."

### Lady of the Sapphire Arrow, Treasurer, Peggy Barnes

If Peggy could sit and talk with anybody from the past it would be Abraham Lincoln. She wants to know what it was like to walk some of the same areas she has walked. She also would like to compare the past to today and the changes that have taken place. If you want to watch some television with her, you might find Kaylan and her together watching "Downton Abby." And if you really want to sit with her and watch a movie, it would be "Gone with the Wind." She loves hot pink and the Lexington area. She is a 27-year member of the Suburban Woman's Club but has had dual membership with the Benton Woman's Club for 33 years. She joined the Benton club, where she is from, to get involved in the community. Upon moving to Lexington, she joined the Suburban Club because of the Horse Farm Tour fundraisers. She thought this would be a great way to get to know the farms and the horse industry. Her main passion is to help those in need and the proceeds from the farm tours did that. She has served as an officer of her club and in 2004 began serving as a KFWC state officer. It was under her direction of President in 2012-2014 that the name change to GFWC Kentucky occurred and our logo changed. She has served her district twice as Governor and currently, until June 30, serves as the Southeast Regional President.

### Princess of the Pink Arrow, Immediate Past President, Teresa Schmidt

In the history of KFWC or GFWC Kentucky has any State President had to endure what Teresa had to endure. Uncertainty. Would we be able to meet first off during her administration and secondly, if we did meet, what would be the rules surrounding the meetings. However, we all survived. Maybe that's why she enjoys diamond painting, crafting and the colors of yellow, bright pink and red. She loves a great princess story like "Cinderella" starring Lily James and "Enchanted" with Amy Adams. Then there this "Secretariat" as a favorite movie. Today, she loves to watch "Yellowstone," "Ozark" and "NCIS." She has dual membership with the St. Matthews Woman's Club and the Okolona Woman's Club. She joined St. Matthews five years ago because of the members and they met on Monday. Being a hairdresser, that was always of good day for her to attend a meeting. Two years ago, she joined Okolona for their crafting Saturdays. If she had the opportunity to talk with someone, she would love to talk to Katherine Graham. Her family ran the Washington Post from 1963-1991. Ms. Graham had to overcome many obstacles in her life that Teresa has found interesting as she read her book.

# Congratulations

Sharon Price who will represent GFWC Kentucky as the LEADS Candidate in New Orleans!

Outstanding Governor of the Year.....  
Amy Mason, District 1

Outstanding Vice Governor of the Year..... Mary Baisch, District 3/4

Susan Harley was pleased to present the awards

winners and clubs!

Gather Your Flock and Join us for the  
GFWC Kentucky Summer Workshop

Friday and Saturday, July 22 & 23

Lexington Griffin Gate Marriott Golf Resort and Spa

1800 Newtown Pike, Lexington

Join us for a FlamZing time together and learn about new projects and challenge projects from GFWC Kentucky and GFWC. You will leave the workshop with new ideas and hopefully new ways of thinking about old projects.

**WORKSHOP REGISTRATION:**

Registration Fee - \$25 a person

Includes all materials

## HOTEL INFORMATION:

We are using the Lexington Griffin Gate Marriott Golf Resort and Spa

Where all the flamingo's hang out!

Hotel reservations – deadline June 26|

\$154.00 a night – with taxes, \$174.65

Here's your reservation link:

**[Book your group rate for GFWC Summer Workshop 2022](https://www.marriott.com/events/start.mi?id=1645212507909&key=GRP)**

**<https://www.marriott.com/events/start.mi?id=1645212507909&key=GRP>**

When you make a reservation it will say that you have a Resort Fee added on. It is waived when you checkout.

### MEAL INFORMATION:

Meals will be a Summer Cookout on Friday Night

Saturday Morning Brunch

Cost for both - \$101.00

(Please remember just as prices at the grocery store have gone up, catering prices have also increased. We have attempted to considerate of the meal cost.)

Dress for the weekend – casual – no swimsuits permitted during meeting times

This is what you have been waiting for!

Happening:

Friday, July 22

2:00 – 4:00 pm

Registration

4:30 pm

Welcome Flock!

Leadership Workshop

Membership Workshop

Scorecard

Dues and Contributions

It's after 5pm! Grab a Pink Drink and let's go to Dinner!

6:30 pm

Summer Cookout

Grab a Flocktail and Join Us at Flamingle and Learn

*Can't wait to get there!*

8:00 – 10:00 pm

I

can't

get

it

done

Hands on projects to do that you can take back to your club.

Enjoy a complimentary Ice Cream Sundae while you Flamingle and Learn

I'll finish this one day – I have all these crafts supplies, what do I do with them?  
Bring them to Flamingle and Learn!

Someone may need your extra pieces. Someone may want to finish what you started.

Someone may want to tear it apart and do something new with what you started.

See it – Pick it – Make a donation for it!

Proceeds benefit GFWC Kentucky Operations

### Our Past to Present

Kentucky Federation of Women's Club (KFWC) was founded in July 1894 and was the fourth state to federate with General Federation of Women's Club (GFWC). In Spring of 2012 KFWC voted to change their name to GFWC Kentucky.

Our state headquarters is located at 104 Lakeview Court in Frankfort KY.
